

University Advancement

Slippery Rock University is pleased to announce the appointment of Barbara Ender as vice president for University advancement. Ms. Ender is currently vice president for development and chief executive officer of the Morehead State University Foundation. While at MSU, Foundation assets doubled from \$15 million to \$30 million, annual gift income and alumni giving increased significantly and the planning stages for the university's first capital campaign were completed.

Vice President for
University Advancement

Prior to her seven years at Morehead, Ms. Ender served as executive director of the Foundation for Indiana University of Pennsylvania. In her 16 years at IUP, she was responsible for a number of key areas, including corporate and foundation relations, developing policies and practices for the Foundation, and supervision of development professionals.

SRU President Robert Smith said, "Ms. Ender brings a wealth of talent to SRU at a most opportune time. Her experience and knowledge of western Pennsylvania, and the Pittsburgh market in particular, give us an immediate start on her arrival."

"I'm very excited about coming back to Pennsylvania to join the Slippery Rock University family. There are so many great things happening at SRU. I can't wait to get started. I'm really looking forward to working with President Smith, my colleagues on the cabinet and the University advancement staff to achieve even greater successes for the University," Ender said.

At SRU, Ender will provide leadership for all aspects of the University's advancement efforts. She will join SRU July 1.
