Keystone Chapter Scholarship Announcement

Criteria: sophomore, junior or senior status. Scholarships are awarded on the basis of a combination of academic merit and program of study, quality of the written essay, financial need, and educational and career goals that are consistent with the SWCS mission:

"The SWCS strives to foster the science and art of natural resource conservation. Our work targets conservation of soil, water and related natural resources on working land-land which is used to produce food, fiber and other services that improve the quality of life people experience in rural and urban communities. We work to discover, develop, implement, and improve ways to use land that sustains its productive capacity and enhances the environment.

Amount: \$500.00
